3 days of traffic limitation in the area of Českobratrské náměstí and Na Karmeli

Due to the meeting of veteran cars fans, there will be some traffic limitation in the area of Českobratrské náměstí and Na Karmeli during 26. – 28. August 2010.

The Skoda Centre of Education Na Karmeli has been chosen as an organization centre of Oldtimer Bohemia Rally 2010. There will be directorate, registration area for the rally participants, information centre for participants and for media and the background for organizers and participants in this area.

Only cars of the organizer's board can park near this place. Another place reserved for VIP cars is the car park on the south corner of Klaudiánova and Jaselská streets.

The following streets: Na Karmeli, Klaudiánova and Českobratrské náměstí, will be closed for usual traffic. The starting ramp is going to be placed at the connecting line of Na Karmeli and Klaudiánova streets just by the Skoda Centre of Education.

All spectators are allowed to enter this area but only afoot, not by cars.

The organizers call on all people who are going to come to see the veteran cars to pay attention to advices and orders of theirs.
